Prestige2 Restroom Trailer

Access to main power source within 100' of the trailer location as well as:

- (1) 20-amp, 110-v circuit
(summer use with a/c and NO hot water)
- (2) 20-amp, 110-v (summer use with hot water and a/c)
- (3) 20-amp, 110-v (winter use)

If no power is available, we can supply a generator with advance notice at additional cost.

Access to a water source with 30-50 psi within 100' of the trailer location. A standard $\frac{3}{4}$ " garden hose fitting is required.

If no water is available, we can supply a pump and holding tank with advance notice at additional cost.

*Please Note: These requirements are "per trailer". All restrooms facilities used MUST be placed on level ground.
