A Young Family's Wish Come True!

No more cramming yourself and two young children in a cramped portable toilet designed for one! No more trekking to the car to change a diaper!

Our NEW Family Room Features:

- Extra spacious to accommodate extra occupants
- Sturdy changing table and trash can within arms reach
- Handy shelf and hooks for hanging up diaper bag or purse
- Interior light for after dark
- Older sibling can use the potty during the diaper change
- Wall mounted Hand sanitizer
- Well ventilated for odor control
